Fall 2019 Opening of School Updates

Policy and Process Updates:

- **Drop Fee:** The $25 Drop Fee that had previously been charged to undergraduate students for holding on to seats after the first week of the term has been eliminated for Fall 2019! While the fee was not effective at reducing hoarding of seats, the number of seats available to students has increased and has made this fee unnecessary.

- **Add From Zero (Late Registration):** The Late Registration Fee, better known as Add From Zero, has been eliminated for Fall 2019! Undergraduate and graduate students who register from zero units late in the semester will no longer be required to submit a personal statement explaining why they are registering late or prepay tuition and charges for the courses they are enrolling. Students will still be required to comply with registration dates and deadlines requirements for instructor and dean approvals on a Change of Schedule form to register.

- **Second Start:** Students who want to apply for the Second Start Readmission Program will now have more time to apply. The application deadline for this program has been extended effective Fall 2019 to allow more students to benefit from this program. Students may apply for Second Start prior to readmission and **up until the last day of classes of the first term of readmission.**

Pell Recalculation FAQ’s

What is PRD?
The Pell Recalculation Date (PRD) is the date in which a Pell eligible student’s record will be reviewed for enrollment changes.

Enrollment changes may cause the Pell Grant to be increased/reduced/cancelled.

Can these dates be shared with students?
Yes, all PRD dates can be shared and are posted on the OSFA website.

Who is impacted by Pell Recalculations?
Only undergraduate students who are Pell eligible and have enrollment changes during the semester will be impacted.

*Pell Recalculation does not apply to students who withdraw from all fall classes. Students withdrawing from all fall classes should contact the Office of Scholarships and Financial Aid for more information about how their aid may be impacted.

Note, While OSFA will lock in the student’s enrollment on the PRD’s listed, students will not see their adjusted financial aid on these dates. Awards will be finalized and visible to students the week of these dates.

Student Questions
Students with questions regarding the Pell Recalculation Dates policy should be directed to OSFA.
3. Student To Do Items
Ever wonder what those To-Do Item Statuses mean? This is the best place to look when assisting a student with an OSFA document processing question!

Directing a student or parent to this OSFA web page will help the student (and you) determine:

1. When a document has been received by our office
2. What each To-Do item status means
3. If documentation is missing or additional documentation is required

https://financialaid.arizona.edu/forms/student-center-to-do-list
4. Verification To Do Item
When a student has the below To Do List Item

Students are directed to create or log into their VerifyMyFAFSAaccount

When creating a new student account, the personal information submitted must match the information on the student's FAFSA exactly, including punctuation and capitalization.
5. **Loan Information:** All loan questions, including current interest rates and fees are answered on OSFA’s web page: [https://financialaid.arizona.edu/types-of-aid/loans](https://financialaid.arizona.edu/types-of-aid/loans)
6. Federal Work Study (FWS)

Federal Work Study Authorization Form – New Process for Fall 2019!

- The Federal Work Study (FWS) Authorization Forms have been redesigned for maximum self-service and are now available to students via their UAccess Student Center account.

- If students experience issues obtaining their Authorization form via UAccess, they can contact Melva Gutierrez at romerom@email.arizona.edu.

- Instructions for students to obtain their FWS Authorization Form:

  - Log into your UAccess Student Center
  - Navigate to the Finances section
  - Click on FWS Authorization Form
  - Print the form and give it to your employer OR
  - Download and e-mail to your employer

The employer must complete the FWS Authorization Form and send it to the Office of Scholarships and Financial Aid before the student begins working.

The first day a student can work in the Fall 2019 semester is August 26, 2019. The last day a student can work for the academic year is May 15, 2020.

FWS 2019-2020 Funding

- The UA has a much larger FWS funds allocation for the 2019-2020 academic year. We encourage all students who are interested in FWS funding to request to be reviewed by OSFA if not already offered FWS funding.

- Students not awarded FWS may email Melva Gutierrez to be reviewed for eligibility.

- Departments should encourage students to request FWS as FWS earnings do not count against student’s aid eligibility in the following years as wages from regular student employment would.

Searching for FWS Jobs

- On-campus jobs are posted on Handshake (previously Wildcat JobLink) on the Career Services Office website http://career.arizona.edu. Students can also search for jobs on individual department’s websites. Some of the departments are listed on our Financial Aid website http://www.financialaid.arizona.edu/types-aid/fws/on-campus-job-opportunities

Scholarship Appeals | Deadline: August 30, 2019

Students who did not meet the renewal requirements of their merit scholarship can submit a Scholarship Appeal if they had extenuating circumstances. [https://financialaid.arizona.edu/policies/scholarship-appeal](https://financialaid.arizona.edu/policies/scholarship-appeal)

A Complete Appeal includes a completed/signed form, personal statement, and supporting documentation. Appeals are typically reviewed within 2-4 weeks if all documentation is received. For inquiries after the deadline, please refer to Scholarship Area.

Scholarship Reinstatements

Students who lost their merit scholarship in the past can request to have their scholarship reinstated if they are now meeting the renewal requirements (units and GPA) and still have semesters of eligibility remaining.

Requests can be submitted via the Ask Aid Portal, by calling our office at (520) 621-1858, or by visiting our office in the Administration building. Requests can take about 2-3 weeks for review. Students will receive an email if they are eligible or not for reinstatement. Request must be made within the first 30 days of the semester. Do not promise/guarantee that their scholarship will be reinstated.
Other Important Information

| Full-Time Enrollment | • Students must be enrolled full-time (12+ UA units) in order for merit scholarship to disburse each semester.  
• Consortium agreements for merit students will not be approved as they need to be enrolled FT at UA.  
• If students are graduating, we can release merit at less than FT enrollment (award may need to be prorated). Must have degree check on file. |
| --- | --- |
| Residency Changes | • **Message to students:** If a student changes residency their award is cancelled and they will be automatically reviewed for a new award based on the residency change (if semesters of eligibility remain).  
• There is no guarantee that they will qualify for a merit award due to their residency change. Students are reviewed based on their HS GPA/test scores, not UA GPA. |
| Distance Campus | • Evaluated the same as Main Campus students at the time of admission and have same renewal requirements.  
• Can use merit scholarship to pay distance tuition charges. |
| Online Campus | • **Not eligible for tuition merit awards or institutional aid.**  
-Exception: UA Bridge Online Tuition Scholarship & All AZ Academic Team Scholarship (new for 2019-2020)  
• If students are switching from Main Campus to ONLN, they will lose their merit award (students are notified prior to cancellation).  
• Students can only receive federal aid (Pell Grant/Loans) or private donor funds.  
• Individual departments can consider these students for donor funds on a case-by-case basis if scholarships allow. Contact Dept Ask Aid for questions. |
| AZ High School Graduates (H150) | • Students who are electing to receive 150% of resident tuition are NOT eligible to keep their merit award (students are notified prior to cancellation). |
| Scholarship Universe | • Students are notified by the individual department/scholarship organization of their selection/award status.  
• OSFA donor scholarships on Scholarship Universe are being reviewed during the summer. Students will receive an email notification if selected. Students not selected for an OSFA award will receive an email prior to fall semester indicating that they were not selected for a donor scholarship. |
| FPAs | • This can be added to students’ accounts per student request (case-by-case basis) prior to the first day of classes IF we have proof that funds are in route but will not arrive until after the first day of classes in order to prevent the $50 late fee. |
| Non-University Funds Placeholder | • Funds anticipated from an outside scholarship donor/organization. **Placeholders do not disburse.** |

Native American Funding

- Native American students can inquire about their financial aid status, Financial Needs Analysis (FNA) status, or funding from their tribe/higher education department by contacting us through the Ask Aid portal, by calling our office at (520) 621-1858, or by visiting our office in the Administration building.
- When FNAs are completed/sent to tribe/higher education office, students receive an email to notify them of submission.
- **Tribal Funds Placeholders** are sometimes added to students accounts in anticipation of funds from their tribe/higher education department. **Placeholders do not disburse.**
- Students must submit their Tribal Award Letter (or denial letter) in order for our office to update/add their Tribal Funds Placeholder. **Receipt of an award letter is not the same as receipt of funds.**
**Financial Aid Reference Sheet**
